HOMEWORK was reviewed. The students raised a few interesting questions they had after translating Bible story number 1. Some connectives were mentioned. Translating Bible story number 2 is homework for next week (this [worksheet](#) will make it easier).

Lesson 2: Anh B ờ o taught us COLOURS & FRUITS ([worksheet](#))

Students took turns guessing the correct tone & writing it on the colours after they were said by the instructor. We also played a quick game with a few pictures on the board of fruit. Students were asked to say the name of the fruit when the instructor pointed to a drawing of it on the board. The students did very well remembering the names of the fruits, this exercise shows how effective flash cards are in language retention. Students were encouraged to keep using flash cards at home.

Lesson 3: Anh Long taught TONES & SOUNDS. Ờ , Ờ I, Ờ M, Ờ N, Ờ T, Ờ T, Ờ P, Ờ P. ([worksheet](#))
Everyone mastered Ờ easily.

Lesson 6: Anh Long taught us how to pray at mealtimes & when conducting a Bible study ([worksheet](#)).

Homework – as per [sheet](#) .

Assignments were given to each student for the final week. Please work on this yourself, without the help of a Vietnamese person. Try to keep it simple & use words you've learnt rather than complicated phrases. You have plenty of time, so try not to be overwhelmed by this task.

Reminders: Our ngon lunch next week! Please bring a drink or fruit to share :o)
