

We've reached the end of our Language Course :o(

Today each of the students delivered well prepared presentations to their fellow students, instructors & helpers.

Anh Long gave the students individual commendation after each of their talks.

After a short break, anh Long & anh Bìn o gave some final words of encouragement, [a few notes & audio recordings can be found here](#)

Students expressed their appreciation for this accelerated language course & how much they've enjoyed the past 5 months.

Students received these ([5 additional pages of phrases & expressions](#))

Don't forget to print the [800+ words](#) if you haven't yet.

For yet another fun way of learning, testing yourself & keeping track of your progress, we have uploaded the 800+ words to Quizlet & have added pictures where possible to aid memory retention: <http://quizlet.com/2977129/800-words-with-pics-flash-cards/>
